Reviews

This publication is indeed gripping and interesting. It is rally exciting throgh reading period of time. I am just happy to inform you that this is the very best publication i actually have go through during my individual existence and could be he finest pdf for ever.
(Miss Lela VonRueden)

PATHOLOGIES DE RETOUR D UN VOYAGE A L ETRANGER CHEZ L ENFANT (PAPERBACK)

Univ Europeenne, United States, 2010. Paperback. Condition: New. Language: French . Brand New Book. L importance des voyages rend indispensable la prevention avant le depart et le diagnostic precoce au retour. Notre etude porte sur 2 zones geographiques principales: l Afrique Noire et le Maghreb; avec des voyageurs constitues en grande majorite d immigrants retournant au pays. Dans ces zones, on retrouve des pathologies cosmopolites frequentes mais 2 pathologies sont recurrentes: le paludisme et les diarrhees. Il s agit de pathologies connues et evitables mais qui presentent encore - 20 ans apres la mise en uvre de moyens de prevention efficaces - une morbimortalite importante. Par ailleurs, notre etude analyse l emergence d une autre pathologie evitable: l hepatite A, touchant souvent les enfants et responsable de formes symptomatiques a l age adulte. Aussi presente-t-elle un cout financier (hospitalisations des enfants) et social (arrets maladie des adultes). L etude confirme les tendances passees: manque d informations de la population, population difficile, c est-a-dire peu compliant et peu receptive a l information; medecins debordes ne pouvant se consacrer a une bonne politique de prevention.
