

A Short Introduction to Promoting Resilience in Children

Filesize: 6.95 MB

Reviews

A must buy book if you need to adding benefit. I am quite late in start reading this one, but better then never. You may like just how the article writer compose this ebook.

(Prof. Elliott Dickinson)

A SHORT INTRODUCTION TO PROMOTING RESILIENCE IN CHILDREN

Jessica Kingsley Publishers. Paperback. Book Condition: New. Paperback. 112 pages. Dimensions: 8.3in. x 5.4in. x 0.5in. A child's capacity to cope with adversity and stand on their own two feet is seen as critical to their development, well-being, and future independence and success in adulthood. Psychological strength, or resilience, directly affects a child's capacity to cope with adversity. This book provides a succinct, accessible and clear guide on how to promote resilience in children and achieve positive developmental outcomes for them. The author covers three key factors that affect resiliency: vulnerability to stress and anxiety, attachment relationships, and access to basic needs. For each, the author presents practical advice and strategies, such as how to regulate children's stress and anxiety, how to encourage and maintain secure attachments, and how to assure children that their needs are understood and will be met. The model presented will help parents and carers ensure their children grow up happy, healthy and resilient. This book will be invaluable for parents, carers and practitioners in supportive roles caring for children. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
