BRILLIANCE AUDIO, 2016. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. An utterly engrossing thriller. The Survivors Club grips us from the very start and simply doesn't let go. The novel seamlessly achieves that rarity in crime fiction: making our palms sweat while bringing the characters and their stories straight into our hearts. Bravo! -- Jeffery Deaver, New York Times Bestselling author Detective Tess McCrae investigates a grisly crime scene in the ghost town of Credo, Arizona. The evidence suggests a cartel drug hit. But Tess, with a nearly faultless photographic memory, sees what others might miss: this is no drug killing. Someone went to gruesome lengths to cover their tracks. The killer's trail leads from Tucson to California -- from anti-government squatters to the heights of wealthy society. As Tess follows the trail of gore and betrayal, perfect and indelible in her memory, she uncovers far more than one man's murder and solves much more than one isolated crime. The Survivors Club is a serpentine, stay-up-all-night thriller from New York Times bestselling author and master storyteller J. Carson Black.
