Bullying in Canada (Paperback)

By Faye Mishna, Melissa Van Wert

Oxford University Press, Canada, Canada, 2015. Paperback. Condition: New. Language: English . Brand New Book. Bullying is an age-old problem that has traditionally been seen as normal, as par-for-the-course of childhood and youth, at times even depicted as a rite-of-passage with character building benefits. More recently, however, we understand it as a public health issue with potentially serious long-term problems for health and well-being that include stress, self-harm, anxiety, and depression. This is true of perpetrators as well as victims, who often suffer negative long-term consequences. Of concern, Canada is currently ranked 21st and 26th out of 40 participating countries on the proportion of boys and girls involved in bullying; several UNICEF studies have found comparable results. As a signatory to the United Nations Convention on the Rights of the Child, Canada is failing in its duty to protect children and youth from abuse. Faye Mishna and Melissa Van Wert provide a well-organized, multidimensional overview of bullying in this introductory text, the first book of its kind to look specifically at the Canadian context. Drawing on the most up-to-date research, including the Health Behavior in School-Age Children survey and recent parliamentary reviews, Mishna and Van Wert consider specific facts about...

Reviews

This book will not be straightforward to start on studying but really fun to read. It absolutely was written really flawlessly and helpful. You can expect to like just how the writer wrote this publication.

-- **Glenna Goldner**

An exceptional ebook along with the typeface employed was intriguing to see. It really is simplistic but surprises within the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.
