AMBULANCE 464 ENCORE DES BLESSES (CLASSIC REPRINT) (PAPERBACK)**DOWNLOAD**

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Ambulance 464 Encore Des Blesses We of the American Ambulance Field Service have no desire to pose as heroes. I went over, as did so many of the others, with the object of seeing war at first hand and of getting some excitement, as well as being of some service. But we do not care to be talked of as young heroes trying to save France, because that was not our idea in going, at any rate not at first. But having arrived in France and learned of some of the terrible things which had been done by the enemy and what the French people had gone through, and having become imbued with some of the wonderful spirit of the French, our point of View was altered, and we were ashamed of our primary object in offering our services. More over, we realized on getting to the front that our own little section was but a single unit among the five million troops constituting the French army, and that individually we were very unimportant. Nevertheless, I hope we did our share in strengthening the morale of all those fine fellows with whom we came in contact. Seeing us Americans actually in the field with them doubtless inspired them with the hope that more would be coming over before long and they have not been disappointed.
