Olivia Kingsley didn't expect to fall in love and receive a secret marriage proposal two weeks into her first Season. However, one dance with Allen Wimpleton, heir to a viscounty, and her fate is sealed. Or so she thinks until her eccentric and ailing father, unaware of Allen's proposal, announces he's moving the family to the Caribbean for a year. Unaware of her father's ill health, Allen demands she choose him or her father. Heartbroken at his callousness, but thankful he's revealed his true nature before she married him, Olivia turns her back on their love. The year becomes three, enough time for her broken heart to heal, and after her father dies, Olivia returns to England. Coming face to face with Allen, she realizes she never purged him from her heart and once again the flames of love ignite, but is it too late? Though A Kiss for Miss Kingsley is part of the A Waltz with a Rogue Novella Series, the books are stand-alones and can be read in any order.
