NATURAL BUILDING: A GUIDE TO MATERIALS AND TECHNIQUES (HARDBACK)

Tom Woolley
Foreword by Jonathan Porritt

The Crowood Press Ltd, United Kingdom, 2006. Hardback. Condition: New. Language: English . Brand New Book. Natural building involves construction with materials that have undergone less processing and manufacturing than conventional synthetic products. Wherever possible, the natural materials that are used are renewable, originating from crops, and are obtained locally. Transport, pollution, carbon emissions and fossil fuel use are therefore minimized and the end-product is harmonious, healthy and environmentally beneficial. This book describes the many materials and methods that have...
