Walker Company, United Kingdom, 2010. Paperback. Condition: New. Kevin O Malley (illustrator). Reprint. Language: English . Brand New Book. For any kid who has heard Get outside and play, and for any parent who has said it. I can t believe Mom made me stop my video game to get some fresh air. Stupid outside. At least the guys are here. Their moms made them come outside, too. That shouldn t be too hard. Maybe I ll finally get lucky. It ll fall any second. - Like O Malley s acclaimed Straight to the Pole, this book is pithy and funny, perfect for readers of all levels and ages. - The topic-playing video games versus playing outdoors- is explored in a way that is satisfying to both parents and children. - Once again, O Malley showcases his knack for relating to modern kids, and his new illustration style will win over more readers to his fan club. - With an intuitive understanding of young boys psyches, O Malley has created an ideal book for dads and sons to enjoy together.
