

Your Fourth Choice: Killing Cancer Cells with Paw Paw - That Little-Known Treatment That Grows on Trees

By John Clifton

FOLEY SQUARE BOOKS, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.Author John Clifton begins with the story of his wife, who was diagnosed with Stage Four lung cancer. The bad news came on Christmas Eve, 2012. The prognosis from the oncologists was bleak. But Clifton decided to explore natural treatments. After all, there was nothing to lose. After sifting through tons of purported remedies and cures, he came upon information about something called paw paw. It was an extract from an American tree. To his surprise, this little-known treatment had been thoroughly studied and tested- for THIRTY YEARS! The success rate was amazing, and even more startling was that so few had ever heard of it. His wife started to take the paw paw capsules along with her standard (palliative) treatment. In less than a year she was cancer-free. Clifton wanted to scream - here was something remarkable, with a proven track record, and yet nobody seemed to know about it, and how it had extended - and even saved - so many lives. Instead of screaming, he wrote this book. He filled it with crucial information, case...
