THE MANY WORLDS OF ALBIE BRIGHT (HARDBACK)

Delacorte Press, 2017. Hardback. Condition: New. Language: English . Brand New Book. Fun science meets humor and heart in this adventure about a boy who is searching for his mother . . . in a parallel universe. Stephen Albie Bright leads a happy, normal life. Well, as normal as it gets with two astrophysicist parents who named their son after their favorite scientists, Stephen Hawking and Albert Einstein. But then Albie s mother dies of cancer, and his world is shattered. When his father explains that she might be alive in a parallel universe, Albie knows he has to find her. So, armed with a box, a laptop, and a banana, Albie sets out to do just that. Of course, when you re universe-hopping for the very first time, it s difficult to find the one you want. As Albie searches, he discovers some pretty big surprises about himself and our universe(s), and stumbles upon the answers to life s most challenging questions. A poignant, funny, and heartwarming adventure, this extraordinary novel is for anyone who has ever been curious.
