## Succulent Serenity: A Coloring Book (Paperback)

By Gina Spadoni

Global Backyard Industries, 2015. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Succulent Serenity is an adult coloring book featuring over 30 original hand illustrated designs perfect for relaxing. It s the first book in a series; Succulent Serenity, Cactus Calm follows. The drawings highlight the desert plants and each also features a unique pot, including many vintage tea cups. Perfect for the garden lover. Varying levels of complexity help these designs work for everyone, and you can match which illustration you color to your mood. There is enough room, too, to get your gel pens in. No insanely small spaces. The pages of succulent art also have unique backgrounds that are fun to color. Many have a Southwest flavor and were inspired by kilim rugs, ikat pillows and desert design. Each book page is printed on one side only so you don t have to worry about bleed-through, and you can easily remove them to hang as we ve left room around the designs for cutting (and you won t have illustrations that disappear into the fold). Several extra notes pages are included for testing colors or journaling. Artwork from this book has been...

### Reviews

*Merely no words to clarify. I could comprehend almost everything using this published e publication. It is extremely difficult to leave it before concluding, once you begin to read the book.*

-- **Lori Terry**

*A must buy book if you need to adding benefit. We have study and so i am sure that i am going to likely to study once again again in the foreseeable future. I realized this book from my i and dad encouraged this ebook to discover.*
