Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Excerpt from Mango Culture in Hawaii The mango is indigenous to a large tropical area Of southern Asia. In parts Of that continent it is believed to have been in cultivation for over years. Its prominence in Hindu mythology and religious Observance is said to leave no doubt as to its antiquity. Few other fruits have the historical background of the mango or seem to have been so closely associated with the folklore and religious ceremonies Of a great race Of people. From southern Asia the species spread to practically all the tropi cal world. The tree is adapted to the great range of conditions under which it is now found growing, and the fruit occupies a conspicuous place in the dietary Of millions Of people in the Tropics. Early Spanish and Portuguese explorers and traders introduced the mango into various parts Of the tropical world. Spanish traders are thought to have carried the mango from the Philippine Islands to the west coast Of Mexico long before the discovery Of the Hawaiian Islands by Englishmen in 1778. The Portuguese are also known to...
