The Ghostly Rental Henry James wrote many excellent ghost stories, his most famous being, *The Turn of the Screw*. In *The Ghostly Rental*, a newcomer in town, who loves to walk for exercise, comes upon a deserted rural road. He follows the road and comes upon a house that immediately strikes him as simply haunted. He is determined to get into the house and find out the truth about it. What he finds out turns out to be quite different than what he expected. *Daisy Miller* *Daisy Miller* is one of Henry James shorter and earlier novels. In addition to being a very good story, the novel serves as both a psychological description of the mind of a young woman and an analysis of the traditional views of a society to a clear outsider. This continues to be one of James most popular works. *The Altar of the Dead* *The Altar of the Dead* was first published in the collection *Terminations* in 1895. It is a fable of life and death significance which explores what happens when a man tries to keep the remembrance of his dead friends, to save them from being forgotten entirely in the rush of everyday events. He meets a woman who shares his ideals, only to find that the past places what...
