Research Press Inc., U.S., United States, 2012. Paperback. Condition: New. Language: N/A. Brand New Book. Conflict is a way of life--something we cannot avoid. Little Peacemakers provides a step-by-step framework for training classroom mediators who help peers resolve a problem and arrive at a peaceful solution. Classroom mediators are highly effective in helping other students solve nonphysical disagreements through a series of simple steps. The eight-week curriculum consists of 30-minute, hands-on lessons that teach problem solving, active listening, and brainstorming and how to apply those skills to mediation. Part 1: Ready, Set, Go introduces students to the concepts and skills of mediation. Part 2: Practice Makes Perfect focuses on role-playing activities that let children put their skills to use. Part 3: Getting Parents/Guardians Involved provides information and tips for family members. Two CDs accompany this book. One provides forms, handouts, and other reproducible materials for the program....
