One simple idea that impacts the way you think could be worth hundreds of thousands or even millions of dollars over time. For me, it was one idea that allowed me to finally go all-in and pursue my passion. One idea gave me the courage to take the leap of faith and to know that success is right around the corner, all I have to do is keep going. In Don t Swing for the Fences I share the first big idea that helped me to understand what it takes to really succeed and achieve all of your goals. The world today would have us believe and expect that we need make it BIG in our first attempt at making big changes in our lives. Anything short of becoming a millionaire in a matter of months would be failing. It s all or nothing out there. You re either in or you re out. A winner or a loser. You should be swinging for the fences. Anything short of a home run must be a complete failure. Is that the way it should feel? We are constantly bombarded with stories about the latest multi-million dollar cell phone app being created and sold by a sixteen year old. Or the college dropout entrepreneur who built a billion dollar business in a year. But we are not reminded about the thousands of businesses and individuals who fail on a daily basis to achieve their big goals. When they fail they become discouraged and often times quit. The fact of the matter is that the mega success stories are FEW AND FAR BETWEEN. They are not nearly the...
