Love finally comes her way, and Strawberry is in love like never before. But something isn't right. It seems as though the closer and closer she gets to happily-ever after, the more someone seems to be trying to get her attention. Does someone know her secret? Strawberry learns the hard way that sometimes love is patient. And sometimes love decides to be kind. But sometimes love is just plain ole stupid and other times it's blind. But the love that Strawberry feels is real; but can her new husband say the same? Or is there already someone that he loves more.that also has his last name? Just because it can't be seen, doesn't mean it can't be heard. Have you ever seen what happens, when you fail to keep your word? To love and honor or to deceive and betray? When vows and promises are broken, there is always a deadly price to pay.
