Livvy Foster has a new heart, home, and place in sky of her new world. The fall of Sliver was only the beginning of a civil war. Angels from across the sky challenge each other to lead a world where time and magic are tools for war. When House Selinus attempts to become the supreme power in a distant future, they confront a goddess who is older than time itself-- and she ll stop at nothing to get the one soul who escaped her deadly grasp: Livvy. With deceit, war and love swirling in the clouds above a shattered world that was once Livvy s home, she ll be asked to do something a girl with a broken heart never thought possible. Fight for Windhook. Fight for her world. Take wing with Livvy, one heartbeat at a time.
