Perkins Vocational and Technical Education Act of 1998 requires, in Sec. 113(c)(3)(C), that the secretary provide the appropriate committees of Congress copies of annual reports received by the U. S. Department of Education from each eligible agency that receives funds under Perkins III. Sec. 113(c)(3)(A) further requires the secretary to make the information contained in such reports available to the general public. This report contains information on states progress in achieving their adjusted performance levels negotiated with and approved by the Department on the core indicators of performance listed in Sec. 113(b)(2)(A) of Perkins III: Student attainment of challenging state-established academic, vocational and technical skill proficiencies, hereafter referred to as academic and skill attainment; Student attainment of a secondary school diploma or its recognized equivalent, a proficiency credential in conjunction with a secondary school diploma, or a postsecondary degree or credential, hereafter referred to as completion; Placement in, retention in, and completion of, postsecondary education or advanced training, placement in military service, or placement or retention in employment, hereafter referred to as placement and retention; and Student participation in and completion of career and technical education programs that lead to nontraditional training and employment, hereafter referred to as nontraditional programs. This is the Departments eighth annual report to Congress. This report transmits data that states submitted to the Department for program year (PY) 200607. State directors were required to attest to the accuracy and completeness of their data by signing their data submissions. State directors who submitted their data electronically to the Department attested to the accuracy and completeness of their data using an electronic personal identification number (PIN). Among the highlights of this report: 1)...
