Do you find it hard to resist checking your smartphone more than it s actually necessary? Do you know the real costs of this relationship you have developed with your mobile device? Yes, connectivity is good and does keep you in touch with others and updated with events in the world, but does it come only with advantages? If you re an avid smartphone user then these questions should concern you. Unless you want more from life than immediate gratification through constant Facebook interaction, playing games, reading stuff online, taking selfies, and keeping yourself entertained thorough gadgetry you have no reason to read this book.
