Leverage is the ability to do more with less. It is the reason why achievers create results faster and accomplish more. Robert Kiyosaki, best-selling author of Rich Dad, Poor Dad says that Leverage is the reason some people become rich and others do not become rich. Because leverage is power, some use it, some abuse it, and others fear it. In Leverage: How to Accelerate the Speed and Velocity of Your Results, best-selling authors Eric Lofholm and James Karl Butler teach you how you can employ the principle of leverage to build up assets in your business and life and accomplish more as a result. This book will teach you how to grow beyond your own abilities through the power of leverage and help you accelerate the results you want now with nine powerful principles and ideas.
